INCIDENTAL MEDICAL MALPRACTICE LIABILITY COVERAGE ENDORSEMENT (EMPLOYEES AND VOLUNTEERS)

This endorsement modifies coverage under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

It is agreed that:

1. The following definition is added to SECTION V – DEFINITIONS:
   - “Incidental medical malpractice injury” means “bodily injury” arising out of the rendering of or failure to render the following services:
     a. medical, surgical, dental, x-ray or nursing service or treatment or the furnishing of food or beverages in connection therewith; or
     b. the furnishing or dispensing of drugs or medical, dental or surgical supplies or appliances.

2. SECTION II – WHO IS INSURED is amended by deleting paragraph 2.a. (1) (d) in its entirety and replacing it with the following:
   - (d) Arising out of his or her providing or failing to provide professional health care services, except for “bodily injury” arising out of “incidental medical malpractice injury” by any licensed physician, dentist, nurse or other medical practitioner employed or retained by you, or who donates his or her professional services to you, and acting within the scope of his or her license. The insurance provided hereunder to such persons shall not apply to liability arising out of services performed outside of the scope of their duties as your “employees” or donors of professional services. Any series of continuous, repeated or related acts will be treated as the “occurrence” of a single negligent professional health care service.

3. The coverage provided by section 2. of this endorsement does not apply to you or any insured if you are engaged in the business or occupation of providing any of the services described in the definition of “Incidental Medical Malpractice Injury.”

All other terms and conditions of this policy remain unchanged.
